

# EURONAUKA 2 –FARO

Opinie naszych uczestników:

The Erasmus trip was unforgettable, and Faro charmed me with its peace, beaches and friendliness of its inhabitants. Activities such as cooking and dancing allowed us to learn about the local culture. It was a unique time full of excitement!

Faro is the perfect place to combine study and relaxation - sunny weather, delicious Portuguese cuisine and beautiful views make every moment there unique.

A very interesting and educational trip, I learned about some of the Spanish and Portuguese culture. An unforgettable experience and beautiful memories

The trip to Portugal was a wonderful experience. The city was full of stunning views, places rich in nature and interesting architecture. The people were extremely nice and helpful. We had great fun every step of the way. Visiting new places, trying new things and making new friends - all this made this trip an unforgettable adventure.

The Erasmus+ trip was an unforgettable experience, we visited many extraordinary places and had the opportunity to visit a Portuguese school, where we could compare the education system and talk to students.

I think that the Erasmus+ project trip was a really interesting experience. I had the opportunity to see beautiful places, learn about culture and try local food. However, what I am most happy about is that I met great people, both from my group and the locals. It was a trip that I will definitely remember for the rest of my life!

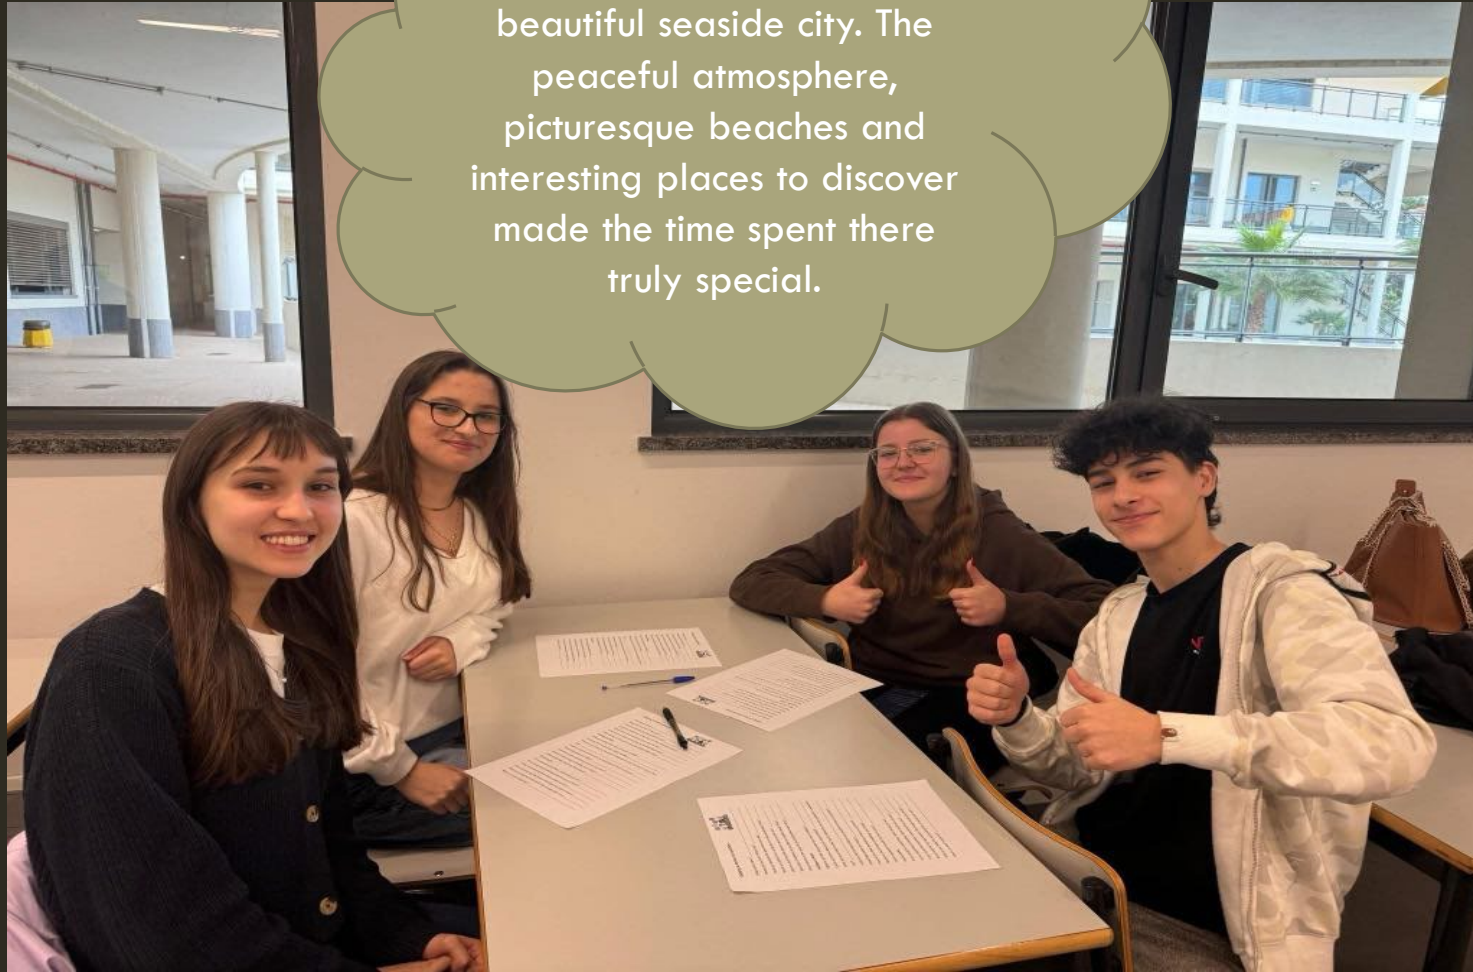

Erasmus+ in Faro was an extremely interesting and valuable experience. The program combined education, culture and integration, which made every day full of excitement. Participating in various activities allowed us to better learn about local customs and traditions, as well as spend time in an inspiring way. The entire event was well organized, so you could get the most out of it.

What we liked most was the unique atmosphere of Faro - a combination of sunny weather, beautiful beaches and a relaxed, friendly atmosphere. Additionally, the opportunity to meet people from all over the world and discover Portuguese culture made it an unforgettable time.

The trip to Faro was an amazing adventure in a beautiful seaside city. The peaceful atmosphere, picturesque beaches and interesting places to discover made the time spent there truly special.

Erasmus+ is an excellent opportunity to learn, travel and discover new cultures. The program develops language skills and provides unforgettable experiences. It's not only education, but also adventure and valuable friendships for life!

super cool adventure

A very nice and interesting trip that will remain in my memory forever

# SUMMARY

Erasmus is an unforgettable experience that gives you the opportunity to practice English and is full of beautiful landscapes. Portugal delights with its picturesque beaches and atmospheric streets, and the warmth of its inhabitants and unique flavors make you want to come back there. This is a great opportunity to break the language barrier!
