Erasmus+

WHAT IS ERASMUS PLUS?

Erasmus+ is a program funded by the European Union that supports initiatives in education, training, youth, and sports. It offers opportunities for students, teachers, and professionals to study, receive training, volunteer, or gain professional experience in other countries. The program encourages international cooperation, cultural exchange, and educational innovation, while also helping participants develop important skills and promoting social inclusion.

“The 10-day Erasmus+ trip to Faro was one of the best adventures I have ever experienced in my life. Attending classes at the school and meeting local people was an incredible cultural experience. The trips to Lisbon and Seville allowed me to discover the local architecture and landscapes. The local food was delicious. I will definitely remember the time spent on this trip for a long time.”

"In my opinion, the Erasmus+ trip to Faro gave me a lot of valuable new experiences, including making international friends, discovering new flavors, and exploring beautiful places. Despite the less-than-perfect weather, we managed to see much of Faro. The hotels were comfortable, and in one of them there was even a beautiful terrace. Overall, it was a memorable and enriching trip, and I would highly recommend it, especially when traveling with close friends."

"My stay in Faro, Portugal, as part of the Erasmus + project, was very successful. Even though the weather wasn't always on our side and it rained most of the time, I have very positive memories of the trip. I had a great time, met interesting people, and gained new experiences. It was a valuable and inspiring project that I will remember for a long time."
